Trustworthy Computing

All software is scanned by an up-to-date virus scanner before being posted for download. Code is written to minimize security flaws. However, KELLER Pressure can provide no guarantee that its software is free from harmful viruses or security vulnerabilities. Practice safe computing and download software only from trusted sites.

Non-Warranty

To the full extent permitted by law, software downloaded from the KELLER Pressure website is provided 'as is' without warranty of any kind, either express or implied, including, but not limited to, the implied warranties of fitness for a purpose, or the warranty of non-infringement. Without limiting the foregoing, KELLER Pressure makes no warranty that:

- i. the software will meet your requirements
- ii. the software will be uninterrupted, timely, secure or error-free
- iii. the results that may be obtained from the use of the software will be effective, accurate or reliable
- iv. the quality of the software will meet your expectations
- v. any errors in the software obtained from the KELLER Pressure website will be corrected.

Software and its documentation made available on the KELLER Pressure website:

- vi. could include technical or other mistakes, inaccuracies or typographical errors.
KELLER Pressure may make changes to the software or documentation made available on its web site.
- vii. may be out of date, and KELLER Pressure makes no commitment to update such materials.

KELLER Pressure assumes no responsibility for errors or omissions in the software or documentation available from its web site.

In no event shall KELLER Pressure be liable to you or any third parties for any special, punitive, incidental, indirect or consequential damages of any kind, or any damages whatsoever, including, without limitation, those resulting from loss of use, data or profits, whether or not KELLER Pressure has been advised of the possibility of such damages, and on any theory of liability, arising out of or in connection with the use of this software.

The use of the software downloaded through the KELLER Pressure website is done at your own discretion and risk and with agreement that you will be solely responsible for any damage to your computer system or loss of data that results from such activities. No advice or information, whether oral or written, obtained by you from KELLER Pressure or from the KELLER Pressure website shall create any warranty for the software.
